CAN-AM 3-WHEEL VEHICLES

DON'T WASTE TIME. LIVE LIFE UNCAGED.

2027

DISCOVER CAN-AM

Experience the open road and never look back.
Our Can-Am 3-wheel vehicles are made for every journey and every rider.

BORN IN CANADA

Rooted in Canadian craftsmanship, Can-Am embodies the spirit of exploration, delivering high-performance vehicles designed to conquer the toughest terrains with unmatched reliability.

OUR PROMISE

Can-Am's mission is to redefine the open-road experience with its innovative three-wheel vehicles, offering riders a perfect blend of freedom, stability, and exhilaration.

ROTAX ENGINES

At the core of every Can-Am three-wheel vehicle is a Rotax engine, trusted worldwide for its unmatched reliability and decades of engineering excellence.

5 REASONS TO OWN A CAN-AM 3-WHEEL VEHICLE

1 ACCESSIBLE WITH A CAR LICENCE*

You don't need a motorcycle licence to experience the thrill of riding a Can-Am 3-wheel vehicle.

**Check with your local dealer for more information.*

2 ENDLESS FUN. EASY TO RIDE.

This is more than a 3-wheel vehicle, it's an invitation to embrace the road and to stand out. From unexpected adventures to pure adrenaline and performance, it's all possible.

3 UNBEATABLE STABILITY. FULL CONTROL.

Thanks to its Y-architecture design, every Can-Am 3-wheel vehicle delivers exceptional stability. Designed to enhance safety on the road, they offer an enjoyable and thrilling riding experience.

4 PREMIUM COMFORT.

Grab life by the handlebars and experience limitless freedom with a Can-Am 3-wheel vehicle that's as cool to ride as it is comfortable. With a quick learning curve to riding, all you have to do is enjoy the moment!

5 CUSTOMISABLE YOUR WAY.

With thousands of customisation options, every Can-Am 3-wheel vehicle can look and feel unique. From swapping body panels to adding storage or fine-tuning the ergonomics, you can shape every detail.

RIDE AS ③NE

JOIN THE ③ WHEEL COLLECTIVE

A GLOBAL COMMUNITY PLATFORM BUILT FOR 3-WHEEL RIDERS, BY RIDERS.

The 3 Wheel Collective brings together riding groups and individual riders from around the world, united by a shared passion for the open road, mutual support and having fun every mile along the way.

This is your entry point to the 3-wheel community as a whole.

- Find riding groups by region;
- See where and when the next rides are happening;
- Join unforgettable community events;
- Stay up to date on what's happening in the 3-wheel community;
- Connect with other riders like you;
- Share your feedback directly with the Can-Am team.

3WHEEL COLLECTIVE

Ride as one, wherever the road decides to lead you.

ENHANCE YOUR EXPERIENCE WITH UP TO 250+ ACCESSORIES!

VERSATILE

Unlock the full versatility of your 3WV with LinQ plate! Quickly install and remove a wide range of BRP LinQ-compatible bags to perfectly match your needs. From the Thermal box, to various soft or hard bags, the LinQ Plate is the ideal accessory multitasker.

COMFORTABLE

Enhance your ride with accessories designed for ultimate comfort, for both rider and passenger. Comfort seats for long journeys or uneven roads, backrests for added support, and heated grips and seats for colder days will make every mile even more enjoyable.

CONNECTED

The Vibe Communication Systems delivers unparalleled connectivity and versatility when you ride. Fully compatible with most BRP helmets, this comm system might as well be an extension of the vehicle's ecosystem. This standout lets you chat, listen and ride all day long in comfort no matter how cold it is! Set up and manage the Vibe communication system in no time directly in the free BRP GO! mobile app.

RYKER ACCESSORY PACKAGES

UPGRADE YOUR RIDE. CHOOSE YOUR EXPERIENCE.

ESSENTIALS

Take full control of your Ryker. With heated comfort seating, aluminum hand guards, cruise control, and a Peak Design holder, you get total protection and uncompromised comfort on every ride.

SPORT

Unleash the full potential of your Ryker with the LinQ Sport deflector, Swaybar, and adjustable handlebar. Paired with Circuit wheels and a performance air intake, this setup delivers aggressive styling and sharp precision on every turn.

COMMUTER

Ride the city in style and comfort on your Ryker. Packed with the MTX Audio System, Heated Grips, and 58 liters of combined storage, you get ultimate utility without sacrificing an ounce of attitude.

TOURING 1 UP

Pure solo freedom for your Ryker. Outfitted with an adjustable LinQ Windshield and maxed-out storage solutions, you have the ultimate long-haul package to take on any horizon with full confidence.

TOURING 2 UP

Experience open-road freedom together on your Ryker. The upgraded 2-Up rear spring and Passenger Comfort seat pair with a LinQ Windshield and SHAD luggage to deliver maximum stability, premium comfort, and endless miles for two.

SPYDER ACCESSORY PACKAGES

UPGRADE YOUR RIDE. CHOOSE YOUR EXPERIENCE.

SPYDER RT

ESSENTIALS

Redefine open-road touring on your Spyder RT. Combining seamless Peak Design phone mounting, effortless backup camera visibility, and ultimate backrest support, this setup turns long-distance highway escapes into pure bliss.

SPYDER F3

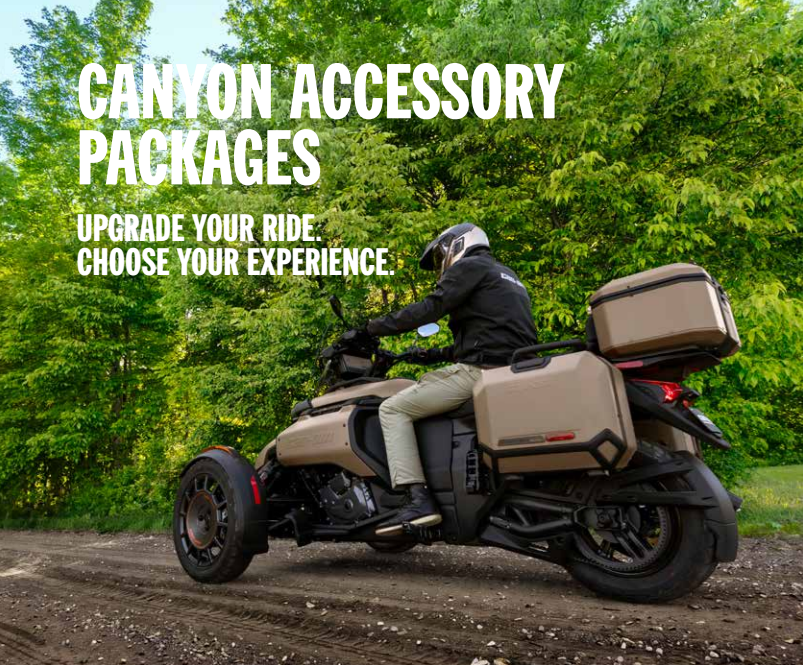

ESSENTIALS

Unleash the ultimate cruiser experience on your Spyder F3. Custom UFit ergonomics deliver personalized control, while the Blue Ridge windshield provides the perfect balance of protection and open-road excitement.

ADVENTURE

Push past boundaries together on your Spyder F3. Combining heated grips, active suspension, and spacious SHAD luggage, this adventure package blends long-distance performance with top-tier duo-ready comfort.

CANYON ACCESSORY PACKAGES

UPGRADE YOUR RIDE. CHOOSE YOUR EXPERIENCE.

ESSENTIALS

Ride smarter on your Can-Am Canyon with enhanced comfort and total protection. Featuring driver and passenger backrests, hand deflectors, a 10.25” screen protector, and sleek LinQ storage, it’s the ultimate setup for everyday convenience.

OUTDOOR

Conquer rugged terrain on your Can-Am Canyon with an adventure front bumper, skid plate, and sport windshield. Heavy-duty aluminum side cases keep your gear locked in for the ultimate off-road escape.

TOURING

Go the extra mile on your Can-Am Canyon with a high windshield, 6-inch riser, and backup camera kit. Paired with aluminum top and side cases, this setup delivers maximum comfort, visibility, and storage capacity for your longest journeys.

LINQ SYSTEM

LinQ integration lets you adapt your ride in seconds to match your needs and riding style. From practical storage solutions to added comfort features like our driver backrest, every accessory is designed for a seamless fit and quick installation. You can also tailor your riding experience with wind protection options. With LinQ, switching setups is fast, intuitive, and built to keep you focused on the road ahead.

INTEGRATION ON 2027 RYKER MODEL

THE NEXT GENERATION OF POWERSPORTS PROTECTION

XPS SYNTHETIC OILS & LUBRICANTS

Every XPS fluid is developed with BRP powertrain engineers and proven through thousands of hours of rigorous dyno and field testing. Built to handle extreme environments, reduce friction, and minimise engine wear, XPS is the ultimate performance insurance for your Can-Am.

FULL SYNTHETIC

SAE 5W-40

The New Standard for All-Weather 4-Stroke Performance Developed over 5 years, the next-generation XPS 5W-40 replaces the previous synthetic blend to deliver a giant leap forward in powersports protection. Compatible with all superchargers and turbochargers, it is engineered to fight deposits and minimise friction.

Key Benefits

- **Proven Cleanliness:** 37% improvement in piston cleanliness over standard powersport engine oil.
- **Wear Reduction:** 76% reduction in Spyder clutch wear compared to the next best aftermarket oil.
- **Versatile & Safe:** 100% backwards compatible—won't cause damage if mixed with semi-synthetics during oil changes.
- **Specs:** Meets API SN and JASO MA2 specifications while exceeding industry standards for wear and corrosion protection.
- **Operating Range:** -35°C to 40°C.

COOL-X LT

Engineered to Protect Your Engine and Maximise Every Ride.

COOL-X LT keeps your machine running at peak performance. Designed specifically for the extreme thermal demands of high-performance powersports engines, this ready-to-use 50/50 premix delivers maximum heat transfer, zero-fail freeze protection, and lifetime durability.

THE ULTIMATE POWERSPORTS PERFORMANCE COOLANT/ ANTIFREEZE

The COOL-X LT Advantage:

RIDE HARDER WITHOUT OVERHEATING

- Advanced formula increases thermal conductivity by 4.34% at 100°C (ASTM D7896).
- **The Benefit:** Pulls intense heat away from critical cylinder heads fast—preventing performance loss, power drops, and engine warping.

SHIELD YOUR ENGINE AGAINST SEVERE CORROSION

- Delivers 95.6% less aluminium corrosion than standard aftermarket coolants (in ASTM D1384 test by dropping metal loss from 23 mg down to just 1 mg).
- **The Benefit:** Completely safe for aluminium, steel, copper, and iron. It locks out corrosion, rust and pitting.

FILL IT AND FORGET IT (LIFETIME PROTECTION)

- Engineered to last the life of your engine under normal operating conditions.
- **The Benefit:** Spend less time in the garage doing flushes and more time out on the trail.
- Maintenance Pro-Tip: Top up only with COOL-X LT to maintain lifetime efficiency.
  If mixed with alternative brands, the coolant must be replaced every 5 years.

CAN-AM ON-ROAD ASSISTANCE:

ENJOY YOUR VEHICLE WITH TOTAL PEACE OF MIND

The Can-Am On-Road models had been designed with a particular focus on quality and reliability. In the event of your vehicle being immobilized, we are pleased to offer you the Can-Am On-Road Assistance programme.

- Provided by Allianz Assistance, world leader in Automotive and Travel assistance, on behalf of BRP.
- Valid for two years starting from the first registration of the vehicle by your authorized Can-Am On-Road dealer.
- Quick payment.
- Comprehensive coverage, covering both breakdown and accident.
- Local and International Emergency numbers
- Coverage throughout the whole of Europe

We wish you happy riding in total peace of mind behind the controls of your Can-Am On-Road product!
